- ii. Large number of cases comes before the Hon'ble High Court wherein grievances are that legal notice or representations are not being decided or are delayed by the Government. Generally Hon'ble High Court directs Government to decide the representation within a specific time. If Govt, disposes of the notice or representations at the first instance, it would reduce the burden of the Court.

10.2 Pending litigation strategies:-

- i. deal with claims promptly and not causing unnecessary delay in the handling of claims and litigation;
- ii. Subject to prior approval of Finance Department/concerned department, pay legitimate claims without litigation, including making partial settlements of claims or interim payments, where it is clear that liability is at least as much as the amount to be legitimately paid;
- iii. act consistently in handling of claims and litigation;

- iv. Cases will be grouped and categorized by concerned Departments. The practice of grouping should be introduced whereby cases should be assigned a particular identities according to the subject and statute involved. In fact, further sub-grouping will also be attempted. To facilitate this process, standard forms must be devised which lawyers have to fill up at the time of filling of cases. Panels will be set up to implement categorization, review such cases and to identify cases which can be withdrawn;
- v. keep the litigation costs to a minimum, where the litigation is unavoidable, by;
 - a. not requiring the other party to prove a matter which the State or an agency knows to be true; and
 - b. not take advantage of a litigant who lacks the resources to litigate a legitimate claim;
- vi. Many Cases are pending in the Courts in which the State is a party. Many of such Cases may have become infructuous. The Government departments and offices under the administrative control of Government departments shall review all such Cases and wherever the Cases have become infructuous, the Registrar of the Concerned Court may be informed so that such Cases can be expeditiously disposed of;
- vii. for strengthening system of conducting the legal affairs of the Government and to curb the delay in filing of appeals, instructions issued by Legal department vide their Circular No. PRC-102005-2109-H. dated 26-07-2005 and additional instructions issued by Chief Secretary vide their Circular dated 27-09-2005 shall be strictly followed;
- viii. not undertake and pursue appeals unless the State or its agency believes that it has reasonable prospects for success or the appeal is otherwise justified in the public interest. The filing of an appeal may be justified in the public interest where it is necessary to avoid prejudice to the interest of the State or its agency pending the receipt or proper consideration of legal advice, provided that a decision whether to continue the appeal is made as soon as practicable;
- ix. The obligation does not require that the State or its agency be prevented from acting firmly and properly to protect its interests. It does not prevent all legitimate steps being taken in pursuing litigation, or from testing or defending claims made;
- x. In particular, the obligation does not prevent the State or its agency from:-
 - (a) enforcing costs orders or seeking to recover costs;
 - (b) relying on claims of legal professional privilege or other forms of privilege and claims for public interest immunity;
 - (c) pleading limitation periods;
 - (d) seeking security for costs;
 - (e) opposing unreasonable or oppressive claims or processes;
 - (f) requiring opposing litigants to comply with procedural obligations; or
 - (g) moving to strike out untenable claims or proceedings.
- xi. A speedy trial is an integral part of the fundamental right of life, personal liberty, as envisaged in Article 21 of the Constitution. Therefore, government and all its agencies/ agents will ensure that the litigation process is not delayed by way of seeking adjournments or not producing evidence/ witnesses in time at first available opportunity. Frequent adjournments at the request of opposite party should also be discouraged/ opposed by government lawyers in order to expedite trial/ disposal of cases;
- xii. E-filing and video-conferencing by dispensing with physical appearance to save precious time and resources, making justice more easily accessible and less expensive option shall be promoted in consultation with the Hon'ble High Court;
- xiii. Ensuring effective functioning of Legal Aid Clinics to provide counseling and guidance to people living in rural areas especially as rural litigation forms a major part of instituted court cases;

- xiv. State shall actually promote and support holding of Lok Adalats and for this purpose shall strive to engage Civil Society Organizations/ Associations of Lawyers/ Bar etc. in this cause; Legal training for the department officers/ officials shall be a regular feature.
